

STONE CORP

MARBLE - GRANITE

TIMELESS NATURAL STONE. CRAFTED TO INSPIRE

PRODUCT CATALOG

About Us

STONE CORP IS A FAMILY-OWNED BUSINESS SINCE 1984.

Stone Corp is your premier destination for high-quality Egyptian Limestone, Marble, Granite, and Travertine sourced from the finest quarries. As a leading supplier and exporter in the industry, we specialize in providing top-tier natural stone products to meet the diverse needs of our global clientele.

At Stone, we pride ourselves on offering an extensive range of exquisite Egyptian Limestone in addition to Marble and Granite materials, meticulously curated to exceed the highest standards of quality and durability.

Whether you're seeking timeless elegance with our luxurious Marble selections, the rustic charm of Limestone and Travertine, or the enduring beauty of Granite, we have the perfect solution for your project.

Why Stone Corp?

Excellence You Can Build On

- Chiseled
- Flamed

Cream Galala Limestone

- Sourced from the Galala Mountain range near the Red Sea, Cream Galala is one of Egypt's most recognized limestones. Its natural cream and beige coloring makes it suitable for exterior cladding, walkways, landscaping projects, and large-scale construction. Galala is a trusted option for timeless and warm-toned applications.

Sinai Pearl Limestone

- Quarried in the Sinai Peninsula, Sinai Pearl is a fossil-rich limestone with dark beige tones and shell inclusions. This limestone is frequently used in patios, retaining walls, garden paths, and architectural elevations, offering a unique regional character rooted in Sinai's geology.

Sinai Pearl Finishes

Desert Bronze Limestone

- Desert Bronze is extracted from South Sinai. Its natural warmth with the bronze veins makes it perfect for garden design, outdoor steps, natural paving, and decorative walls. It stands out in both modern and rustic projects.

London Grey Limestone

- London Grey is an Egyptian limestone sourced from select quarries in Egypt. It is known for its cool, medium grey tone that suits both contemporary and industrial-style projects. Widely used in outdoor paving, garden landscapes, architectural facades, and pool designs, it is ideal for designers seeking a balanced grey natural stone.

London Grey Finishes

Sunny Minya Limestone

- Sunny Minya Limestone is quarried from the Minya Governorate in central Egypt and is valued for its consistent light beige to ivory color. It is widely used in building facades, urban landscaping, wall cladding, and restoration projects due to its clean, architectural look and reliable performance.

Miley Grey Limestone

- Miley Grey Limestone is Egyptian Limestone and features a uniform grey color. Its calm tone makes it a popular choice for garden paths, pool surrounds, exterior wall panels, and modern architectural designs. A versatile natural stone that complements neutral and minimalist aesthetics.

Miley Grey Finishes

Imperial Limestone

- Imperial Limestone is an Egyptian stone with creamy golden uniform color and excellent structural integrity. It is a preferred choice for luxury building projects, upscale landscaping, villa exteriors, and commercial developments. This limestone exudes elegance in any architectural setting.

White Pearl Limestone

- White Pearl, also known as Cloud Limestone, is a bright natural limestone quarried in Egypt. The limestone gets its name from the exquisite pearl-like appearance created by the combination of white and light gray tones. Its soft white background and light fossil patterns make it ideal for outdoor flooring, modern landscaping, stone pathways, and minimalist exteriors. A popular pick for light, airy design palettes.
